

### MTC FORCE RED GEL DESCRIPTION

MTC FORCE premium red grease is superior general purpose lithium based grease particularly designed for high temperature and high pressure applications.

A superior extreme pressure additive package provides a Timken rating of 80 lbs. Additional anti-wear and performance additives provide superior tackiness and rust and corrosion protection. MTC force premium red grease can be continuously run at temperatures as high as 140°C and has an exceptional dropping point of 240°C.

#### FEATURES & BENEFITS

1. Superior multi-purpose grease
2. Extreme high temperature resistance – Up to 240°C, up to 140°C continuously
3. Higher Drain Interval of 75,000 kms
4. Withstands extreme pressure – Timken load 80lbs
5. 25% better thermal stability compared to others.
6. Superior Wear & corrosion protection.
7. Tackiness additives – Prevents fling-off & enhanced bearing life.

#### USES

1. Mining, metal production, machining, plastic molding, pumps, electric motors, ball & roller bearings, kilns, assembly plants, drying ovens, trucks, automobiles, buses, construction equipment, off-road operations, tractors, mowers, reapers, water pumps

#### PRECAUTIONS

2. These oils are unlikely to present any significant health or safety hazard when properly used in the recommended application and good standards of industrial and personal hygiene are maintained
